

Privacy Statement

(this privacy statement is a translation of the German original version for information only.
In case of any doubts the German original version shall prevail)

Privacy Statement – Nova Incepta AG (“NIAG”)

The safety and protection of your personal data is top priority at NIAG. It goes without saying that we guarantee strict adherence with the provisions set down in the General Data Protection Regulation by the EU (“DSGVO”). This website may contain links to web pages made available by other providers that are not covered by this Privacy Statement and for which NIAG does not accept any liability.

1. Data transmission/logging/storage

Log files are automatically created by the web server when this page is accessed. These log files cannot be assigned to any particular individual. This data includes the browser type and version, the operating system used, the referrer URL (the page last visited), the IP address of the enquiring computer as well as the date and time of the server enquiry. This data is collected solely for statistical purposes and is not relayed to any other third party for either commercial or non-commercial usage.

2. Use of personal data

Our web page can be used without the need to provide any personal details. Personal data is only collected or processed, if you provide this information voluntarily, e.g. through submitting an email enquiry (“contact”). Your data will not be passed on to other third parties unless we are required to do so by the current legal provisions.

The login data to access our portal for repair or replacement logistics is only known to the user and cannot be traced back to any person from NIAG. Orders uploaded into our portal are associated with the respective customer account and will be processed solely in the context of this respective business transaction.

3. Your Rights

The contact data for any data related issues may be found in section 6.

At any time you are eligible to execute the following rights. A confirmation of the respective execution will be provided automatically.

- Right of access: Information on stored data and the respective processing activities,
- Right to correct personal data in case the data proves to be incorrect,

- Right to erasure of personal data
- Right to restrict the processing of personal data, in case NIAG is legally bound to keep the data stored
- Withdrawal of consent given regarding the handling of personal data for future use
- Data portability

4. Data protection by design and default

All personal data that you have provided will be safeguarded from access by unauthorised third parties through the implementation of respective technical and organisational security measures. Please note, however, that we cannot guarantee complete protection of any data, e.g. for those transmitted in email communications.

5. Amendments to these data protection provisions

We will continue to update our privacy policy on an ongoing basis in order to keep it current and to comply with changing legislation. You will find the latest version on our website. By the use of this web page, you confirm that you agree to the terms applying to your personal data set down in this policy.

6. Data Protection Officer

Please use the following address for all topics related to the protection of personal data:

datenschutz@novaincepta.ch

7. Right of complaint

At any time you may appeal to the respective public data protection office.

A list of public data protection offices In Germany (depending on your resident country, the context and the kind of suspected violation) can be found at:
